**Accommodations that accept well behaved dogs:**

There are many hotels relatively close to the fairgrounds that accept pets. On hotels.com, if you put DuPage County Fairgrounds in for the destination, and then filter for Pet Friendly, it will come up with 166 hotels, in many price ranges. **Please contact the hotels directly for pet restrictions, fees, and other information.** As we do not live in the area, we are unfamiliar with hotels that may be preferred for those with dogs.

There is **NO SMOKING** in this facility. If you must smoke, you will need to do so outside away from the building and dispose of the butts accordingly. **Dogs must be ON LEASH at ALL times unless they are in the ring.**

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, may be asked to leave the site. In that case, no refund of any fees paid will be made.

**Dog exercise areas:** Please pick up after your dog and dispose of waste in appropriate containers outside the building. Please be considerate about picking up after your dogs and leaving the grounds as you found them. Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement per BHA regulations. You may exercise your dog anywhere on the grass.

**Collars and Leashes:** Dogs may not be brought to the line in any disallowed collar. Dogs may not be brought to the start box on flexi-leads. Approved collars include flat snap or buckle collars of solid construction and leather or nylon leads. Limited slip martingale collars are allowed. Single piece slip collars/leads are allowed. Harnesses, with the exception of head-halter types, are allowed. Dogs **MUST** run "naked," without a collar/harness. Dogs should be brought to the ring with collars/harnesses which can be easily and quickly removed and replaced. All dogs must be on leash at all times except when in the ring.

**Refunds:** Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the trial. No refunds after the closing date unless a replacement entry is available from the wait list.

**Bitches in season** are eligible for entry but will be required to be kept separate from all other dogs and will be run in panties at the end of their class. Review the barn hunt rules for other details. *If bringing a bitch in season, please inform the trial committee prior to the trial, and you must inform all exhibitors at the judge's briefing.*

**Loud/Disruptive dogs;** Dogs that are loud and disruptive may be asked to locate away from the rings/crating area and/or staged away from the other dogs getting ready to compete. Any dog behaving in a threatening or aggressive manner toward another dog or a person may be dismissed from the trial if justification is found to do so by the judge and/or trial committee. Terrier sparring is not allowed on trial grounds. Any dog that is sick, injured or lame will be excused from the trial grounds.

**Judging Assignments:** Any of the Judges of Record for this event may be used to judge any of the classes at this event, at the discretion of the Club, under the rule provisions for Load Balancing, Relief Judging, and Splitting. Qualifying scores are assigned to the official Judge of Record for that class.

**Crating** should be secure. Dogs can get excited at barn hunt events. Dogs must be securely crated at all times or with owner on a leash. Dogs may not be left unattended outside of a secure crate.

See the buildings surrounded by the black square. That is where the barn hunt will be held. Parking will be on one of the grassy areas. The left side of the picture is North.
